## WORK EXPERIENCE

---

### Lab Coordinator

**09/23 - Present**

*BGSU School of Art Media Center*

*(Bowling Green, Ohio)*

- Managed library of technology accessories for art students and faculty, making sure both faculty and students have access to functional equipment on time
- Printed museum archival quality digital artwork for students to be displayed in exhibitions and classes, being aware of quality and care for prints so students may exhibit the highest quality of work possible
- Cooperated and collaborated with coworkers to ensure maximum efficiency while handling a large amount of checkouts and print orders by managing spreadsheets and other documentation

### Communications / Graphic Design Intern

**05/25 - 08/25**

*Airstream*

*(Jackson Center, Ohio)*

- Created web graphics (banners, icons, etc.) to enhance Airstream's internal intranet brand, as well as recorded & edited how-to videos to encourage associate engagement and retention
- Designed T-Shirts to be used at Airstream events (S.C.A.R.F. Pet Adoption 2025 and Associate Appreciation 2025), keeping brand and associate opinion in consideration
- Designed associate seniority enamel pins themed around famous icons and moments from Airstream's history to honor loyal associates and foster associate relationships
